

School Parliament 2017

Pupils have met this term with Mrs Davies, Deputy Head to discuss the school's Bullying Policy and the Racial Equality policy – they gave good suggestions about how to make the policy clearer. Pupils will also meet Mrs Diver regarding the school Eco Group in March 2017.

Several pupils visited Year 7 form rooms during PSE on 1st March to introduce themselves and make themselves familiar faces to the pupils and to ensure pupils are aware of what the school parliament are doing this year. This was a successful activity and will be done with other year groups.

Parliament members were pleased to be invited to join the Soroptimist event on 8th March and had the opportunity to hear from some great speakers who attended Bryn Hafren to celebrate International Women's Day.

KS3 parliament members are attending a training event organised by The Vale Youth Service in the memorial Hall on 21st March to learn more about their role as parliament members.
